

The Fifth Annual Candlewood Lake Canoe and Kayak Race Info

Since all funding for maintaining the Still River was eliminated at the local, state and federal level - the Brookfield Park and Recreation Department, The Still River Alliance, The Housatonic River Valley Trail, Housatonic Valley Paddle Club, and the Connecticut Water Trails Association organized this event so that we could continue environmental stewardship projects and maintain the river. Would like to take this opportunity to invite you to become a sponsor for the Fifth Annual Candlewood Lake Canoe and Kayak Race which takes place on Sunday September 25, 2011. We've had over 100 participants take part in the race in over 44 different divisions. The race is held at Brookfield Town Park.

For Your \$25 Sponsorship

As a sponsor of the race your business name will be printed all race related materials. You will receive public recognition on promotional signage during the race event and during awards ceremony after the race. And you will have the ability to include promotional materials from your business in the racers packet. As stated above - the monies raised are used to perform environmental stewardship work such as keeping the Brookfield section of the Still River clear of blockages so kayakers and canoeists alike can enjoy their 14 mile trip up or down the river.
